Dear Ms. Baker:

This letter is in response to your letter dated May 12th, regarding our 48 hour notices and a question regarding discrepancies in our reporting.

In response to the first issue of our 48 hour reports, all of the contributions in question are contained in our 30 day report. Below, I will go through each contribution and I have enclosed a copy of each check for your reference.

Judith Cosdon, 2/20/98, \$1000

The 48 hour report contained this contribution and listed it as from Judith Cosdon. In the 30 day post-runoff report the check was reported from Jack Stapelmann, on page 39 of Schedule A. Mr. Stapelmann was contacted and was the contributor who signed the check that was received on 2/20/98 for \$1000. The check was reported on both reports.

COPE US Division, 2/25/98, \$5000

The 48 hour report contained this contribution listed as COPE US Division. In our 30 day post-runoff report the check was listed as Service Employees Int'l Union, on page 2 of section 11(c). I have enclosed a copy of the check which clearly states that the check is from the Service Employees Int'l Union-COPE US Division.

Kenny Loggins, 2/28/98, \$1000

The 48 hour report listed the check as being from Kenny Loggins only, after speaking with the couples accountant, we were informed that the contribution was from both Kenny and Julia Loggins, with \$500 being attributed to each of them. It was then reported on the 30 day report as: Kenny Loggins, \$500 on page 23, Julia Loggins, \$500 on page 54.
